**Intensive Care Registrar - General**

---

## THE ROYAL MELBOURNE HOSPITAL

The Royal Melbourne Hospital (RMH) began in 1848 as Victoria's first public hospital. And while we only had 10 beds to our name, we had the community of Melbourne behind us, and we were ready to provide the best possible care for those in need.

Since those early years, we've moved forward with purpose. Always at the forefront, leading the way on improving the quality of life for all.

Today the RMH is one of the largest health providers in the state, providing a comprehensive range of specialist medical, surgical, and mental health services; as well as rehabilitation, aged care, outpatient and community programs.

Our reputation for caring for all Melburnians is as essential to who we are as any scientific breakthrough we make. We're here when it matters most, and we'll continue to be the first to speak out for our diverse community's wellbeing.

---

## OUR VISION

# Advancing health for everyone, every day.

---

## THE MELBOURNE WAY

At The RMH we're inspired by our vision of Advancing health for everyone, every day. While we're each going about our different roles, we're united by a shared understanding of the way we do things around here. We call it The Melbourne Way. We put people first — leading with kindness and working together, we excel as one Royal Melbourne Hospital.

### People First

People are at the heart of everything we do. We take the time to understand how we can make the most positive difference for them.

### Lead with Kindness

Our care and compassion sets us apart. We lead the way with a respectful, inclusive spirit — embracing the things that make us all unique.

### Excellence Together

True excellence is only possible when we work as one Royal Melbourne Hospital community. Through collaboration, we set the highest of standards and achieve our goals.

---

## OUR PRIORITIES

The RMH Strategic Plan: Towards 2025. Advancing health for everyone, every day is our plan for the future — one which we are committed to achieving together. This position contributes to the achievement of the five Strategic Goals, articulated in the plan:

1. Be a great place to work and a great place to receive care
2. Grow our Home First approach
3. Realise the potential of the Melbourne Biomedical Precinct
4. Become a digital health service
5. Strive for sustainability

## POSITION SUMMARY

The Royal Melbourne Hospital is a world-renowned institution that provides tertiary health services and improves the health outcomes of patients through excellent health professional education and outstanding research. It provides comprehensive health care across the Parkville precinct. The Royal Melbourne Hospital serves as a major Victorian referral service for specialist and complex care being a designated state-wide provider for services including trauma. It also contains centres of excellence for tertiary services in several key specialties including neurosciences, nephrology, oncology, cardiology and genomics.

We are looking for dedicated and enthusiastic **Intensive Care Registrars** to join our **Intensive Care team in 2027**.

## DEPARTMENT DESCRIPTION

The RMH Intensive Care Unit is a recognized leader in tertiary and quaternary critical care. As one of Australia's largest and most active ICUs, our state-of-the-art 42-bed facility admits over 3,000 patients annually. As a tier 2 ECMO centre and ICU for our precinct partners (Royal Women's Hospital and the Victorian Comprehensive Cancer Centre) we manage a diverse caseload includes major trauma, cardiac and neurosurgery, stroke, oncology, complex obstetrics, and infectious diseases. Beyond the unit, our staff lead the Medical Emergency Response team, attending more than 3,000 MET and Code Blue calls each year.

Accredited by the **College of Intensive Care Medicine (CICM)** for 24 months of core training, we offer specialized exposure to cardiothoracic, neurological, and trauma intensive care.

The unit is organized into four pods (A, B, C, and D), each staffed by a dedicated medical team comprising a consultant, registrar, and resident. Senior Registrars are rostered 24/7 to supervise

---

and support general registrars. On-site Consultant cover is provided until 22:00 on weekdays and 19:00 on weekends, with on-call support available at all times.

We pride ourselves on a highly successful training program that includes **five hours of protected, paid teaching time** per week. Our consultant-led curriculum supports professional development at all stages, including dedicated CICM exam preparation. Our consultant group include both Primary and Second Part CICM Examiners. Trainees also have access to RMH delivered courses such as BASIC, MCEC, REACT, EMICC, and the Critical Care Echocardiography Course.

As a leading academic hub, our research department—led by **Professor Adam Deane**—conducts influential national and international projects. We actively encourage registrar participation in research and maintain close ties with the University of Melbourne, offering extensive opportunities for academic and clinical teaching.

### **Intensive Care Unit, Melbourne Private Hospital**

Established in 1995, Melbourne Private Hospital (MPH) is a co-located facility within the Royal Melbourne Hospital campus. The MPH ICU is a 10-bed facility that manages approximately 900 admissions annually.

The unit's caseload is diverse; approximately 45% of patients admitted are post-cardiothoracic surgery with the remainder comprising a mix of cardiac, renal and other post-surgical patients. The ICU also accepts emergency patient admissions, including direct transfers from other hospitals.

Registrars from the RMH ICU rotate through the MPH ICU, which is recognized by CICM as an affiliated training site.

#### **The key responsibilities of the ICU Registrar include:**

- Provision of high-quality care to ICU patients under the supervision of the ICU consultant, including clinical assessment, formulation of management plans, and the performance of ICU procedures under appropriate supervision.
- Supervision and mentoring of other doctors-in-training
- Participation in the medical emergency, cardiac arrest and trauma teams.
- Assessment and management of patients referred by the Emergency Department and other specialty unit within the hospital
- Facilitate safe transport of critically ill patients.
- Maintain accurate and timely clinical documentation in both electronic and/or paper-based systems
- effective teamwork within the ICU multidisciplinary team and the wider hospital

The consultant group is committed to registrar wellbeing. To support a sustainable career and training opportunities we also offer flexible working arrangements including part-time and job-share opportunities.

---

### KEY ACCOUNTABILITIES

- Take reasonable care for your safety and wellbeing and that of others.
- Work in your scope of practice and seek help where required.
- Work in partnership with consumers, patients and where applicable carers and families.
- Work collaboratively with colleagues across all RMH teams.
- Continue to learn through mandatory training and other learning activities.
- Seek feedback on your work including participation in annual performance discussion.
- Speak up for safety, our values and wellbeing.
- Prioritise wellbeing and ensure safe work practices are developed and adhered to in their area.
- Respect that the RMH is a smoke-free environment.
- Provide high quality standards of patient care in the ICU. This includes the assessment, planning, implementation and evaluation for care in collaboration with multidisciplinary team.
- Perform medical interventions and procedures in accordance with Melbourne Health policy and procedures
- Support integration of undergraduate, graduate and postgraduate medical students within the unit
- Demonstrate a commitment to ongoing professional development and achievement of the unit and organisational performance indicators
- Actively participate in performance reviews either on an annual or rotational basis
- Contribute to the development of junior staff including medical students, interns and residents
- Provide effective leadership as part of the clinical team
- Liaise with the multi-disciplinary health care team to achieve the desired patient outcomes
- Develop and implement policies and procedures in collaboration with key stakeholders applicable to the strategic direction of Melbourne Health
- Deliver evidence-based medical care
- Be aware of the financial requirements of the unit & demonstrate an awareness of cost-effective medical practice
- Participate in and/or facilitate continuing education sessions, committees, special projects and relevant professional groups
- Participate in staff meetings and forums
- Initiate, participate in and facilitate research

### KEY RELATIONSHIPS

#### Internal

- ICU Clinical and Administrative Staff
- RWH and VCCC Clinicians

#### External

- Referring clinicians outside of VCCC

---

## KEY SELECTION CRITERIA

### Formal Qualifications:

- Current General Registration with The Medical Board of Australia (AHPRA)
- Appropriate tertiary health qualifications – MBBS or equivalent

### Essential:

- Commitment to live the Melbourne Way - putting people first, leading with kindness and achieving excellence together.
- Completion of 3 years of training as a Hospital Medical Officer (HMO)
- Completed a minimum of 6 months prior ICU experience.
- Ability to work in a team
- Well-developed communication and presentation skills.

### Desirable:

- Prior experience as an ICU registrar
- Committed to formal training in Intensive Care Medicine through registration with CICM
- Completion (or exempted from) the CICM First Part examination
- Clinical experience including percutaneous vascular access and bedside ultrasound imaging
- Proficiency in communication, negotiation and presentation skills
- Strong leadership, organisational skills and strategic thinking

---

## KEY PERFORMANCE INDICATORS

Your performance will be measured through your successful:

- Demonstration of RMH values
  - Achievement of portfolio specific KPI targets
  - Participation in and satisfactory feedback through the annual performance review process
  - Ability to maintain a safe working environment and ensure compliance with legislative requirements
-

**AT THE RMH WE:**

- Aim to provide a working environment that is safe and without risk to the health, safety and wellbeing of all employees, patients and consumers, and visitors.
- Speak up for patient, consumer, colleague and visitor safety, escalating issues if required.
- Deliver Safe, Timely, Equitable, Person-centred Care (STEP) in line with our clinical governance framework.
- Work in accordance with relevant policies, procedures, standards and legislation including those related to clinical or competency requirements, risk management, discrimination, equal opportunity and health safety and wellbeing.

**OUR COMMITMENT:**

- **Equity, Inclusion, Belonging and Safety**
  - As a leader in healthcare, we recognise the need to foster a culture of equity, inclusion, and belonging — safe spaces where every individual is empowered to be their authentic self, contributing meaningfully to the collective well-being of our community.
- **First Nations Commitment**
  - We acknowledge and pay our respects to the Traditional Owners of the lands on which we work and stand in solidarity with Aboriginal and Torres Strait Islander peoples. We are committed to creating a culturally safe environment that honours First Nations voices, knowledge, and self-determination through inclusive governance, respectful policies, and a steadfast commitment to anti-racism. The Royal Melbourne aspires to lead by example in addressing the injustices of colonisation and its ongoing impacts.
- **Child Safe Standards**
  - RMH is a child safe organisation. We are dedicated to fostering an environment that respects and upholds the rights of children and young people, in line with the Child Safe Standards. We actively embed these standards in our culture, policies, and practices, ensuring that the safety and wellbeing of children and young people is a central priority.
- **Equal Opportunity and Accessibility**
  - We are proud to be an equal opportunity employer that champions diversity in all its forms. We value the strengths and perspectives that come from people of all backgrounds, identities, abilities, and lived experiences. We encourage applicants from all communities, and we will provide reasonable adjustments to support equitable participation.
- **Thriving Together**
  - Together, we are committed to fostering an environment where everyone feels respected, safe, and empowered to thrive.

**ACCEPTANCE**

I acknowledge and accept that this position description represents the duties, responsibilities and accountabilities that are expected of me in my employment in the position. I understand that The RMH reserves the right to modify position descriptions as required, however I will be consulted when this occurs.
