

**REQUEST FROM GP FOR PATHOLOGY & RADIOLOGY RESULTS  
FROM THE ROYAL MELBOURNE HOSPITAL**

For results of tests ordered by the RMH while your patient was a hospital inpatient or in the Emergency Department, please print out this template on your letterhead.

To comply with privacy legislation, RMH must establish the link between GP and patient. A phone call alone is not sufficient.

To save time, please fax first, then if urgent, follow-up with a phone call.

- PATHOLOGY RESULTS** – Fax to 9342 8484.
  - URGENT** – Patient currently with GP. Results needed for immediate management. (To save time, please fax first, then if urgent, follow-up with a phone call. Phone 9342 8000 for urgent results)
  - STANDARD** – Results required within one working day.
  
- RADIOLOGY RESULTS** - Fax to 9342 8396.
  - URGENT** – Patient currently with GP. Results needed for immediate management. Results will be faxed within 20 minutes. Radiology does not provide verbal results over the phone.
  - STANDARD** – Results required within one working day. The aim will be to provide results within 2 hours of receiving the request.

If requesting **both** Pathology and Radiology results, fax to one only and request will be forwarded internally.
